

Social Distancing Protocol during COVID-19

We appreciate your support by observing the following health and safety protocol when dropping off and picking up your child, until further notice.

UPON ARRIVAL:

1. Use hand sanitizer (*adults only*)
2. Follow one-way hallway, maintaining a 6' minimum distance between all adults.
3. Wait at the classroom door for your child's teacher. Open the door to get the teacher's attention, if necessary.
4. The teacher will check your child in and assist your child with hand washing.
-The teacher will likely be wearing a face covering since close adult-adult interaction may be required during the exchange.
5. Exit one-way hallway by following the posted arrows.

AT DEPARTURE:

1. Use hand sanitizer (*adults only*)
2. Follow one-way hallway, maintaining a 6' minimum distance between all adults.
3. Wait at the classroom door for your child's teacher. Open the door to get the teacher's attention, if necessary.
4. The teacher will check your child out and assist you in retrieving any necessary items from the classroom.
-The teacher will likely be wearing a face covering since close adult-adult interaction may be required during the exchange.
5. Exit one-way hallway together by following the posted arrows.*

***Disclaimer:** After exiting Kinderplatz, **children are the parent's/pick-up person's responsibility.** The **door-opening button** near the loading dock is an attractive nuisance and **presents a safety hazard** if young children are not properly supervised. **Please carry your child, strap him/her into a stroller, or hold your child's hand.**
