

Social Distancing Protocol for Visitors in response to COVID-19

We appreciate you visiting Kinderplatz and for observing the following health and safety protocol during your visit to our facility.

1. **Use hand sanitizer** upon entering the facility (*adults only*)
2. **Wear a face covering whenever possible** (*one will be provided to you if you didn't bring your own*)
3. **Proceed down the one-way hallway** as you travel through the facility, maintaining a 6' minimum distance between yourself and others
4. **Wash your hands for 20 seconds** with liquid soap and water following posted instructions upon entering each classroom (*in a "handwashing" sink, not a "food service" sink*)
5. **Exit the one-way hallway** by following the posted arrows
6. **Stop by the office on your way out**, as needed

Thank you for your visit and take care!
